Dear Mr. Wall:

Feasibility Study Report Revision 1, West Lake Landfill Operable Unit 2, Bridgeton, Missouri

Attached is the above-referenced report. The report text has been revised based on a June 8, 2006 telephone call in which you provided EPA comments. Following is a summary of the changes that were made to the text of the document.

- Page 13, 2nd full paragraph – The last sentence of the paragraph has been revised.
- Page 13, Section 2.1.1.2 – The third sentence of the single paragraph in this section has been revised.
- Page 16, next-to-last paragraph of Section 2.1.2.3 – The first sentence of the paragraph was revised.
- Page 16, last paragraph of Section 2.1.2.3 – The last paragraph was revised to delete the first two sentences and add a new concluding sentence.
- Page 17, Section 2.1.3, 2nd and 3rd paragraphs – These paragraphs were deleted.
- Previous page 35; new page 34, last paragraph – The last paragraph was revised.
- Previous page 42; new page 41, Section 5.2, paragraph that begins, “As noted...” – The first sentence of the paragraph was revised.
- Previous page 43; new page 42, last paragraph – The first sentence of the paragraph was revised.
- Previous page 44; new page 43, last paragraph – The first sentence of the paragraph was revised.

Because the text changes resulted in page number changes to a majority of the document, we have elected to print the revised Table of Contents and revised text in its entirety. The Table of Contents and text include a “Revision 1” notation. Please remove the previous version of the Table of Contents and text and replace them with the enclosed. There have been no changes to tables, figures, or appendices.

If you have any questions, please contact the undersigned or the facility's Project Manager, Ms. Victoria Warren.

Sincerely,

Herst & Associates, Inc.
